

Which is this poor world we live in,  
where banks are the only entities?

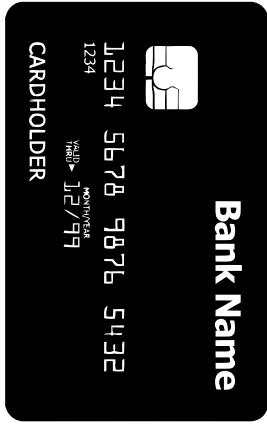

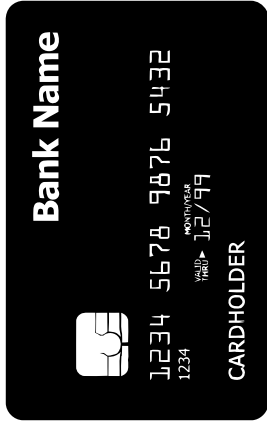

Which is this poor world we live in,  
where banks are the only entities?

Which is this poor world we live in,  
where banks are the only entities?

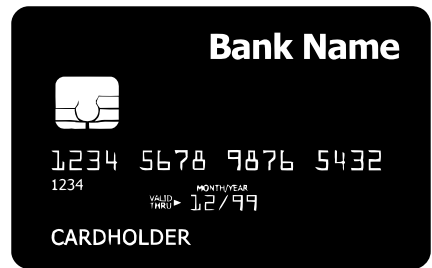

Which is this poor world we live in,  
where banks are the only entities?

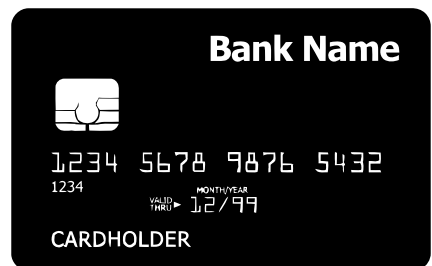

Which is this poor world we live in,  
where banks are the only entities?

Which is this poor world we live in,  
where banks are the only entities?

Which is this poor world we live in,  
where banks are the only entities?
